...and many more....

Client Testimonials

- **Yamada (Student, Japan)** : **PIE TUTORS** helped me with the development of my proposal and the analysis of my data. It was one of the best investment I ever made. **PIE TUTORS** not only did the analysis but also spared time to explain everything in a way that was clear and understandable.
- **Kevin (Scholar, USA)** : I hired a private consultant at **PIE TUTORS** for my dissertation. This consultant not only helped me in doing my analysis but also made the completion of my dissertation a cake walk. My sincere thanks to **PIE TUTORS** and its consultant.
- **Andrew (Student, Canada)** : I would like to thank honestly to **PIE TUTORS** for the wonderful explanations they gave me for my problem. For any future help I am just going to knock **PIE TUTORS** door because I know they'll have an answer to my problem.
- **Sonia (Researcher, Australia)** : **PIE TUTORS** provide a great service. The way they help you in dealing with your problem is truly commendable and deserves a big applause. In future whenever I'll have any doubt I'll straightaway come to **PIE TUTORS** and I am also going to recommend it to my friends. Keep up the great work.
- **Priya (Student, India)** : Dear **PIE TUTORS**, Thank you for the detailed report. I could interpret the results myself with the help of instruction manual you compiled for me.

Client Testimonials (...contd...)

- **Diandra (Student, Malta)** : Great work on the Economic Freedom index... A JOB WELL DONE :) Thanks
- **Nathan (Student, NZ)** : I had another assignment which I had to complete within a tight deadline and I couldn't think of anyone, but **PIE TUTORS**, who helped me earlier to do my assignment.
- **Abdul (Scholar, UAE)** : Everything looks just perfect. I am happy with the work. Thank you.

...and many more...

Core Team

- **Ashish Soni (Founder and CEO):** Ashish is an engineering graduate from Indian Institute of Technology Bombay with close to 3 years of work experience in the field of analytics and statistical consultancy. He worked with a MNC based in UAE for more than a year before moving back to India. Later, he worked on a Govt. of India project and drafted the final report, which was sent to the Ministry of Human Resources, Govt. of India, with his recommendations.
- **Dr. Kaiyna Mitra (Co-Founder and CTO):** Kaiyna holds a PhD in statistics and has more than 7 years of work experience in the field of applied statistics. She has been part of many NGO projects and has conducted many seminars during the past years. Prior to joining PIE TUTORS, she was working as a statistical consultant with a NGO.

Thank you
